Minutes:

- Updates to action items from last time.
 1. MEO (MI energy office) application was approved, the next steps are in Mr. Wilson's hands to set up a walk through. After inputting data about overall energy use, by making a 10% reduction in energy usage GTA would be in the top 10% of school nationwide for energy efficiency.
 2. Green schools application is being compiled by Galoci, still waiting to hear from teachers around the school about their efforts, application is due 3/1 she will update us next meeting.
 3. Still waiting on responses to email from Phillip to community members regarding a meeting on the 13th.
 4. Newsletter is being put together starting tonight at 9pm. Submissions must be in!
- Recycling, make sure to put bins out on Wednesday evening before going home. Olivia will bring back in on Thursday morning until future notice.
- Earth Day Green Out Day, April 22nd pep rally. Olivia is the coordinator for that event and will act as the MC. See action items
- Officers election will be held the first meeting of quarter 4, members should start think about whether they want to run or not. Olivia offered to step in as secretary (will discuss with Mr.M).
- Youth Symposium is in Thunder Bay Canada this year. Galoci and McGurn to approach admin about taking students. Members interested are Jackie, Phillip, Natalie, Olivia, Sarah, Mary and Alyssa. More information to come.
